Dated 19th November, 2004.

The Society for Comprehensive Rehabilitation Service (SCRS) is known to me for several years.

SCRS is an organisation which admirably functions among handicapped and engages itself in various humanitarian activities. SCRS is a voluntary organisation and does not require any fund from the State or Central Government for its functioning. It is entirely a philanthropic organisation. It has successfully carried out several projects for rehabilitation of the handicapped. I am told another ambitious projects for self-employment of the disabled and destitute people is awaiting clearance of the State Government.

Sri Sadhan Gupta, Bar-at-Law is the President of the Society and is a well-known personality in the State. Sri Gupta takes keen interest in the functioning of SCRS. SCRS should be exempted from the operation of the West Bengal Shops and Establishment Act, 1963 because of Section 4 (1) © and (d).

I wish every success of SCRS in its laudable efforts.
